Training and Lesson Program

We teach horse management, grooming, care, safety and riding in all disciplines: English Pleasure, Western Pleasure, Huntseat Equitation, and Saddleseat Equitation. Both children and adults are welcome, and riders need no experience to enter the lesson program. Beginner, intermediate, and advanced levels are all taught by qualified and experienced instructors.

Emphasis is on the rider, allowing the individual to develop skills and self-confidence in a positive learning environment. Small groups allow for individual instruction while promoting group interaction. Riders progress at their own pace and are placed in groups according to skill level.

Lessons are available Saturday and Sunday, 8:00 am to 5:00 pm. Tuesday through Friday lessons available by appointment. The barn is closed Mondays and holidays.
